Are we all ok with Lahne's edit (thank you, Lahne) and if so, now that the info is posted, do we have the green light to make the notifications?

Or is there anyone else in HQ who needs to sign off?

I've renamed this V5 – areas are highlighted to illustrate the recent changes...but we'll remove them once we get the go ahead.

Please advise – thank you for all your support on this one.

How is this? Rick, is this accurate?

Ex. 5 Deliberative Process (DP)

I've added this to the attached comms plan document as well.

Thanks!
